PROXY STATEMENT

**For the Annual Meeting of Shareholders
to be held on May 26, 2022**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Fund’s Board of Trustees (the “Board,” with members of the Board being referred to as “Trustees”) to be voted at the Annual Meeting of Shareholders of the Fund (the “Meeting”) to be held in a virtual meeting format, on Tuesday, May 26, 2022 and at any adjournments or postponements thereof. A Notice of Annual Meeting of Shareholders and a proxy card (the “Proxy Card”) accompany this Proxy Statement. This Proxy Statement is first being sent to shareholders on or about April 27, 2022 to shareholders of record as of April 11, 2022.

The purpose of the Meeting is to seek shareholder approval of the following proposal (the “Proposal”):

To elect two Class II Trustees to serve for a three-year term.

All properly executed proxies received prior to the Meeting will be voted at that Meeting, or at any adjournments or postponements thereof, in accordance with the instructions marked on the Proxy Card. Unless instructions to the contrary are marked on the Proxy Card, proxies received will be voted **“FOR”** each Proposal (as defined below). The persons named as proxy holders on the Proxy Card will vote in their discretion on any other matters that may properly come before the Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated Proxy Card, giving written notice to Megan Kennedy, Secretary of the Fund, 1900 Market Street, Suite 200, Philadelphia, PA 19103, or by virtually attending the Meeting and voting online. Shareholders may authorize proxy voting by using the enclosed Proxy Card along with the enclosed envelope with pre-paid postage. Shareholders may also authorize proxy voting by telephone or through the internet by following the instructions contained on their Proxy Card. Shareholders do not have dissenter’s rights of appraisal in connection with any of the matters to be voted on by the shareholders at the Meeting.

In order to transact business at the Meeting, a “quorum” must be present. Under the Fund’s Agreement and Declaration of Trust, a quorum is constituted by the presence in person or by proxy of shareholders representing a majority of the outstanding shares of the Fund on the record date entitled to vote on a matter. Abstentions and broker non-votes (i.e., proxies from brokers or nominees indicating that they have not received instructions from the beneficial owners on an item for which the brokers or nominees do not have discretionary power to vote) will be treated as present for determining whether a quorum is present with respect to a particular matter at the Meeting.

The election of a Trustee to the Board requires the affirmative vote of a plurality of the shares entitled to vote for the election of any Trustee present in person or represented by proxy at the Meeting with a quorum present. Under a plurality vote, the nominees who receive the highest number of votes will be elected even if they receive less than a majority of the votes. For purposes of the election of Trustees, abstentions and broker non-votes will be counted as shares present for quorum purposes, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have no effect on the election of the Class II Trustees. All properly executed proxies received

prior to the Meeting will be voted, at the Meeting or at any adjournments or postponements thereof, in accordance with the instructions marked thereon. Proxies received prior to the Meeting on which no vote is indicated will be voted “FOR” the election of the Class II Trustees.

Brokers holding shares of the Fund in “street name” for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares before the Meeting. Under the rules of the New York Stock Exchange (“NYSE”), such brokers may, for certain “routine” matters, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received from their customers and clients prior to the date specified in the brokers’ request for voting instructions. The Proposal is a “routine” matter and accordingly beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the Proposal.

The chair of the Meeting shall have the power to adjourn the Meeting without further notice other than announcement at the Meeting. The Board of Trustees also has the power to postpone the Meeting to a later date and/or time in advance of the Meeting. Abstentions and broker non-votes will have the same effect at any adjourned or postponed meeting as noted above. Any business that might have been transacted at the Meeting may be transacted at any such adjourned or postponed session(s) at which a quorum is present.

Written notice of an adjournment of the Meeting, stating the place, date and hour thereof, shall be given to each shareholder entitled to vote thereat at least ten (10) days prior to the Meeting, if the Meeting is adjourned to a date more than one hundred twenty (120) days after the original Record Date set for the Meeting.

We will admit to the Meeting (1) all shareholders of record on April 11, 2022 (the “Record Date”), (2) persons holding proof of beneficial ownership at the Record Date, such as a letter or account statement from the person’s broker, (3) persons who have been granted proxies, and (4) such other persons that we, in our sole discretion, may elect to admit. If you hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend the Meeting. To register you must submit proof of your proxy power (legal proxy) reflecting your Fund holdings along with your name and email address to Computershare Fund Services, the Fund’s proxy tabulator. You may forward an email from your intermediary or attach an image of your legal proxy to shareholdermeetings@computershare.com. Requests for registration for the Meeting must be received no later than 5:00 p.m., Eastern Time, on May 23, 2022. You will receive a confirmation email from Computershare of your registration and a control number that will allow you to vote at the Meeting.

The Board has fixed the close of business on April 11, 2022 as the Record Date for the determination of shareholders entitled to notice of, and to vote at, the Meeting and at any adjournment or postponement thereof.

The Fund has one class of shares, par value \$0.001 per share. Each share of the Fund is entitled to one vote at the Meeting, and fractional shares are entitled to a proportionate share of one vote. On the Record Date, the following number of shares of the Fund were issued and outstanding:

ASGI	8,855,000
------	-----------

Important Notice Regarding the Availability of Proxy Materials for the Meeting Being Held on Thursday, May 26, 2022 in a virtual meeting format. The Proxy Materials and the Fund’s most recent annual report for the fiscal year ended September 30, 2021 are available on the Internet at <http://www.aberdeenasgi.com>. The Fund will furnish, without charge, a copy of its annual report for the fiscal year ended September 30, 2021 and any more recent reports, to any Fund shareholder upon request. To request a copy, please write to the Fund c/o abrdn Inc., 1900 Market Street, Suite 200, Philadelphia, PA 19103, or call 1-800-522-5465. You may also call for information on how to obtain directions to be able to register to attend the Meeting.

The Election of two Class II Trustees

Pursuant to the Fund’s Agreement and Declaration of Trust, the Board is divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year. If elected, each Trustee is entitled to hold office until the Meeting in the year noted below or until his or her successor is elected and qualifies. Trustees who are deemed “interested persons” (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940 (“1940 Act”)), of a Fund, Aberdeen Asset Managers Limited (“AAML” or the “Investment Adviser), are referred to in this Proxy Statement as “Interested Trustees.” Trustees who are not interested persons, as described above, are referred to in this Proxy Statement as “Independent Trustees.”

The Fund’s Board, including the Independent Trustees, upon the recommendation of the Board’s Nominating and Corporate Governance Committee, which is composed entirely of Independent Trustees, has nominated the following nominees as Class II Trustee to its Board as follows:

P. Gerald Malone (Class II Trustee, 3-year term ending 2025)

Todd Reit (Class II Trustee, 3-year term ending 2025)

Each nominee has indicated an intention to serve as a Class II Trustee if elected and has consented to be named in this Proxy Statement.

It is the intention of the persons named as proxies on the enclosed Proxy Card(s) to vote “**FOR**” the election of the nominee for Class II Trustee to serve for a three-year term. The Fund’s Board knows of no reason why the nominee would be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominee as the Fund’s Board may recommend.

The following tables set forth certain information regarding the nominees for election to the Board of the Fund, Trustees whose terms of office continue beyond the Meeting, and the principal officers of the Fund.

ADDITIONAL INFORMATION ABOUT THE TRUSTEES

The Board believes that each Trustee’s experience, qualifications, attributes and skills on an individual basis and in combination with those of the other Trustees lead to the conclusion that the Trustees possess the requisite experience, qualifications, attributes and skills to serve on the respective Board. The Board believes that the Trustee’s ability to review critically, evaluate, question and discuss information provided to them; to interact effectively with the Investment Adviser, other service providers, counsel and independent auditors; and to exercise effective business judgment in the performance of their duties, support this conclusion. The Board has also considered the contributions that each Trustee can make to the Board on which he or she serves and to the Fund.

A Trustee’s ability to perform his or her duties effectively may have been attained through the Trustee’s executive, business, consulting, and/or legal positions; experience from service as a Trustee of the Fund and other funds/portfolios in the abrdn complex, other investment funds, public companies, or non-profit entities or other organizations; educational background or professional training or practice; and/or other life experiences. In this regard, the following specific experience, qualifications, attributes and/or skills apply as to each Trustee in addition to the information set forth in the table above: Ms. Maasbach, financial and research analysis experience in and covering the Asia region and experience in world affairs; Mr. Malone, legal background and public service leadership experience, board experience with other public and private companies, and executive and business consulting experience; Mr. Reit banking and asset management experience and experience as a board member; Mr. Sievwright, banking and accounting experience and experience as a board member of public companies; Mr. Bird, Chief Executive Officer of abrdn and prior Chief Executive Officer of other public companies.

The Board believes that the significance of each Trustee’s experience, qualifications, attributes or skills is an individual matter (meaning that experience important for one Trustee may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Trustee, or particular factor, being indicative of Board effectiveness. In its periodic self-assessment of the effectiveness of the Board, the Board considers the complementary individual skills and experience of the individual Trustees in the broader context of the Board’s overall composition so that the Board, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the business of the Fund. References to the qualifications, attributes and skills of Trustees are presented pursuant to disclosure requirements of the Securities and Exchange Commission (“SEC”), do not constitute holding out the Board or any Trustee as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

Except for any duties specified herein, the designation of the Chair does not impose on such Trustee any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

The Board holds regular quarterly meetings to consider and address matters involving the Fund. The Board also may hold special meetings to address matters arising between regular meetings. The Independent Trustees also meet outside the presence of management in executive session at least quarterly and have engaged separate, independent legal counsel to assist them in performing their oversight responsibilities.

The Board has established a committee structure that includes an Audit and Valuation Committee and a Nominating and Corporate Governance Committee (each discussed in more detail below) to assist the Board in the oversight and direction of the business affairs of the Fund, and from time to time may establish informal ad hoc committees or working groups to review and address the practices of the Fund with respect to specific matters. The Committee system facilitates the timely and efficient consideration of matters by the Trustees, and facilitates effective oversight of compliance with legal and regulatory requirements and of the Fund's activities and associated risks. The standing Committees currently conduct an annual review of their charters, which includes a review of their responsibilities and operations.

The Nominating and Corporate Governance Committee and the Board as a whole also conduct an annual self-assessment of the performance of the Board, including consideration of the effectiveness of the Board's Committee structure. The Committee is comprised entirely of Independent Trustees. The Committee member is also "independent" within the meaning of the NYSE listing standards. The Board reviews its structure regularly and believes that its leadership structure, including having a super-majority of Independent Trustees, coupled with an Independent Trustee as Chair, is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its purview and it allocates areas of responsibility among the Committees and the full Board in a manner that enhances efficient and effective oversight.

Board and Committee Meetings in Fiscal Year 2021

During the fiscal period from October 1, 2020 to September 30, 2021, the Board held four quarterly meetings. During such fiscal year, based on available records, the Trustees serving during that fiscal year attended at least 100% of the aggregate number of meetings of the Board and of the Committees of the Boards on which they served.

Audit and Valuation Committee

The Board has an Audit and Valuation Committee consisting of all the Independent Trustees. In addition, the members of the Audit and Valuation Committee are also "independent," as defined in the Fund's written Audit and Valuation Committee Charter. The members of the Audit and Valuation Committee are Mr. Reit, Ms. Maasbach, Mr. Malone and Mr. Sievwright. Mr. Sievwright serves as the Chair of the Audit and Valuation Committee and the Audit Committee Financial Expert.

The Audit and Valuation Committee oversees the scope of the Fund's audit, the Fund's accounting and financial reporting policies and practices and its internal controls. The Audit and Valuation Committee assists the Board in fulfilling their responsibilities for oversight of the integrity of the Fund's accounting, auditing and financial reporting practices, the qualifications and independence of the Fund's independent registered public accounting firm and the Fund's compliance with legal and regulatory requirements. The Audit and Valuation Committee approves, and recommends to the Board for ratification, the selection, appointment, retention or termination of the Fund's independent registered public accounting firm and approves the compensation of the independent registered public accounting firm. The Audit and Valuation Committee also approves all audit and permissible non-audit services provided to the Fund by the independent registered public accounting firm and all permissible non-audit services

provided by the Fund's independent registered public accounting firm to the Investment Adviser and service providers if the engagement relates directly to the Fund's operations and financial reporting. The Audit and Valuation Committee is also responsible for monitoring the valuation of portfolio securities and other investments. The written Charter for the Audit and Valuation Committee is available at the Fund's websites at www.aberdeenasgi.com. During the fiscal period from October 1, 2020 to September 30, 2021, the Audit and Valuation Committee met 3 times.

Service providers to the Fund, primarily the Investment Adviser, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management. As an integral part of its responsibility for oversight of the Fund, the Board oversees risk management of the Fund's investment program and business affairs. Oversight of the risk management process is part of the Board's general oversight of the Fund and its service providers.

Nominating and Corporate Governance Committee; Consideration of Potential Trustee Nominees

The Board has a Nominating and Corporate Governance Committee (the "Nominating Committee") consisting of all the Independent Trustees. The members of the Nominating Committee are Mr. Reit, Ms. Maasbach, Mr. Malone and Mr. Sievwright. Mr. Malone serves as the Chair of the Nominating Committee.

The Nominating Committee is responsible for overseeing Board governance and related Trustee practices, including selecting and recommending candidates to fill vacancies on the Board. The Nominating Committee will consider Trustee candidates recommended by shareholders of the Fund. Recommendations for consideration by a Nominating Committee should be sent to the Chair of the Nominating Committee in writing together with the appropriate biographical information concerning each such recommended nominee.

In identifying and evaluating nominees for Trustee, the Nominating Committee seeks to ensure that the Board possesses, in the aggregate, the strategic, managerial and financial skills and experience necessary to fulfill its duties and to achieve its objectives, and also seeks to ensure that the Board of Trustees is comprised of trustees who have broad and diverse backgrounds. The Nominating Committee looks at each nominee on a case-by-case basis. In looking at the qualification of each candidate to determine if his or her election would further the goals described above, the Nominating Committee takes into account all factors it considers appropriate, which may include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. However, the Board believes that to be recommended as a nominee, whether by the Nominating Committee or at the suggestion of a shareholder, each candidate must: (1) display the highest personal and professional ethics, integrity and values; (2) have the ability to exercise sound business judgment; (3) be highly accomplished in his or her respective field; (4) have relevant expertise and experience; (5) be able to represent all shareholders and be committed to enhancing long-term shareholder value; and (6) have sufficient time available to devote to activities of the Board and enhance his or her knowledge of the Fund's business. The Nominating Committee met two times during the fiscal period ended September 30, 2021. The Board has adopted a written Charter for the Nominating Committee, which is available at the Fund's websites at www.aberdeenasgi.com.

Board Oversight of Risk Management

The Fund is subject to a number of risks, including, among others, investment, compliance, operational and valuation risks. Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and Committee activities. The Board has adopted, and periodically reviews, policies and procedures designed to address these risks. Different processes, procedures and controls are employed with respect to different types of risks. Day-to-day risk management functions are subsumed within the responsibilities of the Fund's Investment Adviser, who carry out the Fund's investment management and business affairs and other service providers in connection with the services they provide to the Fund. The Investment Adviser and other service

providers have their own, independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. As part of its regular oversight of the Fund, the Board, directly and/or through a Committee, interacts with and reviews reports from, among others, the Investment Adviser and the Fund's other service providers (including the Fund's transfer agent), the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm, legal counsel to the Fund, and internal auditors, as appropriate, relating to the operations of the Fund. The Board also requires the Investment Adviser to report to the Board on other matters relating to risk management on a regular and as-needed basis. The Board recognizes that it may not be possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

REPORTS OF THE AUDIT AND VALUATION COMMITTEE; INFORMATION REGARDING THE FUND'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At a meeting held on December 14, 2021, the Board of the Fund, including a majority of the Trustees who are not "interested persons," as defined under the 1940 Act, selected KPMG LLP ("KPMG") to act as the independent registered public accounting firm for the Fund for the fiscal year ending September 30, 2022. Although it is not expected that a representative of KPMG will attend the Meeting, a representative will be available by telephone to make a statement to the shareholders, if the representative wishes to do so, and to respond to shareholder questions, if any.

The Fund's financial statements for the fiscal year ended September 30, 2021 were audited by KPMG. The Audit and Valuation Committee of the Fund has reviewed and discussed the audited financial statements of the Fund with management of the Fund. The Audit and Valuation Committee of the Fund has received the written disclosures and the letter from KPMG required by The Public Company Accounting Oversight Board ("PCAOB") Rule 3526 (PCAOB Rule 1, Communication with Audit Committees Concerning Independence), as may be modified or supplemented, and have discussed with KPMG its independence with respect to the Fund. The Fund knows of no direct financial or material indirect financial interest of KPMG in the Fund. The Audit and Valuation Committee has discussed with KPMG the matters required to be discussed by the applicable requirements of the PCAOB and the SEC. Based on the foregoing review and discussions, the Audit and Valuation Committee of the Fund recommended to the Board that the audited financial statements of the Fund for the fiscal year ended September 30, 2021 be included in the Fund's most recent annual report filed with the SEC.

The Audit and Valuation Committee is responsible for pre-approving (i) all audit and permissible non-audit services to be provided by the independent registered public accounting firm to the Fund and (ii) all permissible non-audit services to be provided by the independent registered public accounting firm to the Fund’s Investment Adviser, and any service provider to the Fund controlling, controlled by or under common control with the Fund’s Investment Adviser that provided ongoing services to the Fund (“Covered Service Provider”), if the engagement relates directly to the operations and financial reporting of the Fund. All of the services described in the table above were pre-approved by the Audit and Valuation Committee.

The Audit and Valuation Committee has adopted an Audit Committee Charter that provides that the Audit and Valuation Committee shall annually select, retain or terminate, and recommend to the Independent Trustees and to the full Board of Trustees for their ratification, the selection, retention or termination, the Fund’s independent auditor and, in connection therewith, evaluate the terms of the engagement (including compensation of the auditor) and the qualifications and independence of the independent auditor, including whether the independent auditor provides any consulting, auditing or tax services to the Investment Adviser, and receive the independent auditor’s specific representations as to its independence, delineating all relationships between the independent auditor and the Fund, consistent with the Independent Standards Board (“ISB”) Standard No. 1. The Audit and Valuation Committee Charter also provides that the Committee shall review in advance, and consider approval of, any and all proposals by Fund management or the Investment Adviser that the Fund, Investment Adviser or their affiliated persons, employ the independent auditor to render “permissible non-audit services” to the Fund and to consider whether such services are consistent with the independent auditor’s independence.

The Audit and Valuation Committee has considered whether the provision of non-audit services that were rendered to the Investment Adviser and any entity controlling, controlled by, or under common control with these entities that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant’s independence and has concluded that it is independent.
